

Lull Telehandler Part

Lull Telehandler Part - Lull telehandlers have been providing precision load placement ever since nineteen fifty nine. Whether the job entails landing loads on scaffoldings, transferring loads or positioning heavy steel, using a Lull telehandler will help make the task go faster and easier. These units are available along with the patented Stabil-Trak stability system so as to ensure operator confidence.

The Lull horizontal load placement system provides eighty inches of boom travel for precision placement capabilities. Different optional attachments is available for Lull telehandlers to help do any work.
