

Advance-Nilfisk Part

Advance-Nilfisk Part - Imagine how tedious it would really be to tidy up your home right after having a big party, with out aid from cleaning equipment. Back in the day, when carpets and upholstery had the dust beat out of them by hand; cleaning cloths, brushes and brooms were the leading cleaning materials back then.

The man who established Nilfisk-Advance, P.A. Fisker, started as an electrical engineer who really liked to work on electrical motors. After starting his business in the year 1906, he began to produce motors to drive fans, machine tools, drills and coffee grinders. Mr. Fisker's dream from the start was to own a worldwide company marketing products worldwide.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning trade. Mr. Fisker invented an amazing, ground breaking vacuum cleaner which could be operated by one individual as it just weighed 17.5 kilos! This invention came in a time where many cleaning machines were huge and required at least 4 operators, hence, the Nilfisk C1 changed everything and evolved the way we clean forever. The genius behind these first cleaning equipment remains unparalleled. Cleaning equipment offer a brilliant solution to an ongoing crisis; stuff get dirty and need to be cleaned frequently, without a lot of effort.

Gradually but progressively, Nilfisk-Advance developed throughout the decades. In the nineteen eighties, this development actually occurred when the business became a part of the NKT Group. Their new owners' determination and focus made Nilfisk-Advance take a huge leap forward within the trade, trying to be among the largest international players in the market of professional cleaning equipment. Nilfisk-Advance is now represented in all parts of the world by steadily acquiring many smaller businesses so as to grow their product portfolio and presence in new markets. They are proud to provide a variety of cleaning solutions to meet each and every requirement.
