

Trek Part

Trek Part - TREK Cleaning Machines is a maker of cleaning machines. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have over 60 years of experience effectively manufacturing, designing, developing, marketing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are devoted to providing top quality and new design concepts in order to meet the diverse needs of their customers.

TREK Cleaning Machines continually provides fresh design ideas as proven in their product development. They like providing products that energize both their dealers and their partners and provide production gains to their customers.

The team at TREK enjoys tackling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' requirements and skills together with their understanding of cleaning applications, together with owners' strong desire to significantly reduce cost through productivity gains.

The personnel at TREK and their dealer-partners are really committed to having both parts and technical support accessible when it is needed. Their high service devotion is amongst the core values in their customer service. Keeping their customers' cleaning equipment ready and functioning day by day is top priority. The company's top of the line technology delivers reliable machine which ultimately lessens your cost of cleaning. The price, the service and the product all work together to be able to make them the leader in the industry.
